

Bentley SELECT Licensing Program Eligibility

February 5, 2014

Not all Bentley products are eligible for the licensing programs listed below. This searchable PDF file supplements the Bentley SELECT Program Agreement where the Bentley User is referred to SELECT Online to find which products are eligible for respective licensing programs under the Agreement. Without a specific designation of eligibility, a product is not eligible for the program. All products listed are eligible for coverage under a SELECT Program subscription.

For the most recent version of this list visit www.Bentley.com/Portfolio

Please refer to the Notes at the end of this report and to your SELECT Program Agreement for more detail.
